

## BECOME MORE CONFIDENT IN USING ENGLISH IN DIFFERENT SITUATIONS

Learn to communicate accurately and effectively in everyday business and social settings.

### Key Language Skills

General English provides intensive development of practical, real-world English. Students will learn to communicate in a spoken and written form, develop strategic listening skills and improve their use of grammar.

### Elective Classes

Twice each session students choose from a variety of classes designed to let them focus on areas of their choice. These classes provide students with the opportunity to advance their language skills in a variety of specialised areas.

### Flex Options

Three additional classes are available each week to enhance communication skills. Focusing on listening, speaking and pronunciation, these flexible classes allow you to customise your learning program.

## ENGLISH CLASS LEVELS

To ensure you are placed at the right English level you are tested on your first day.

## HOW DO I MOVE UP AN ENGLISH LEVEL?

To make certain student's English classes are challenging, they are assessed throughout their course. The standard of the student's classwork and their test results at the end of each 5 week session help determine their next class level. We expect it will take 10 weeks to progress from one level to the next.

## ELECTIVE CLASSES

Each 5 week session you will choose from a variety of classes designed to let you focus on areas of your choice. Classes change twice per session.

Sample classes include:

- ▶ Business English
- ▶ Vocabulary
- ▶ IELTS Preparation
- ▶ Media Studies
- ▶ English for Hospitality
