MINIMUM ENTRY ENGLISH LEVEL

You must be able to read and write the English alphabet and to have a basic conversation such as introduce yourself with your name and where you are from.

HOW DO I MOVE UP AN ENGLISH LEVEL?

To make certain student's English classes are challenging, they are assessed throughout their course. The standard of the student's classwork and their test results at the end of each 5 week session help determine their next class level. We expect it will take 10 weeks to progress from one level to the next.

ELECTIVE CLASSES

Each 5 week session you will choose from a variety of classes designed to let you focus on areas of your choice. Classes change twice per session. Sample classes include:

- ▶ Pronunciation - all levels
- ▶ Vocabulary - all levels
- ▶ IELTS Preparation - Lower Intermediate or above level
- ▶ Business English - Intermediate or above level
